Dance with Us!

Contributors to Ballet Theatre San Luis Obispo perform a crucial role in helping to produce and sustain our activities while developing our future. We could not mount a project as ambitious as "Coppélia" including the highest quality sets, costumes & promotional materials, with a company of all local professional dancers in a world class theatre without your support. We thank you.

There are two ways to contribute: donating at a certain level, or by underwriting a specific area of the spring performance. All donations are tax deductible (Federal nonprofit #20-8393945)ⁱ. Each contributor will receive recognition in the spring performance program. Donations at the *Pirouette* level and above will receive complimentary tickets to the spring performanceⁱⁱ.
